

Caregiver Careers

Sonrisas Assisted Living is always looking for those special individuals who are truly looking for a rewarding career.

Sonrisas is a care home for 4 adult residents and is designed to encourage the comradery that comes from working with others on a daily basis. Special attention is given to each employee's unique life experience & interests. Each employee is nurtured, treasured and respected for the care they give our residents.

You'd probably like being a part of our caregiving family if:

- You find supporting those who need it most rewarding
- You find joy in making someone smile
- You enjoy a lot of flexibility and independence in your work.
- You like working in a smaller home-like environment with a 1:4 staff to resident ratio
- You like a variety of responsibilities in your daily work.
- You like spending one-on-one time and getting to know your residents personal interests and needs.

REQUIREMENTS:

- Dependable work history
- 18+ years of age and eligible to work in the U.S.
- Valid Driver's License
- Ability to pass background check
- CNA and/or CBRF certifications a plus

So, make the decision and choose to support others over yourself, to show kindness, and to be the change you want see in the world. Be the vital expression of love in someone else's life. We know it's not an easy job, but it is admirable one.

When you join Sonrisas you are part of something bigger. Come, celebrate life with us and become a part of our family.
